

ORDER

For Partition of Property.

Side Issue to the Case Settled.

Claims on Penn Foundry Ordered Paid.

Mrs. Baker Files Cross Petition to Husband's Suit.

Settlement of a claim has been reached and an order made in the case of Alexander and Anna Mitchell, of Cleveland, vs. John Griffith, et al., of Richfield. Suit was brought in Common Pleas court of Summit county to collect from the defendants for use of a farm of 115 acres, in which the plaintiffs claimed an interest. This contention was settled for \$150, and an order was granted for partition of the property.

HAD FIRST LIENS.

In the case of Gordon Miller vs. the Penn Foundry Co., an action brought for the appointment of a receiver, the plaintiff and certain creditors reached an agreement whereby it was admitted that the claims of the Kasch Roofing Co., The Akron Fire Proof Brick Co., and A. Adamson preceded those of the plaintiff, and the court ordered them paid. The order does not affect the original action.

CROSS PETITION.

Mary Baker of Akron, has filed an answer and cross petition to the suit of her husband for divorce. She claims he abandoned her Jan. 14, 1902, taking all his goods away and leaving her without means of support. She further states that by reason of her economy and energy she and her husband were enabled to buy a lot for \$650, and asks that he be divested of his dower in this property. Mrs. Baker also petitions for alimony, claiming that her husband earns \$50 a month.

WANT ORDERS OF SALE.

Mrs. Metta E. Wolcott, as guardian of the estate, has petitioned for an order to sell property left by her husband, Fremont C. Wolcott, late of Boston township. The property is appraised at \$7,485.

Jennie M. Tarbell, guardian of Aaron Oviatt, has petitioned for an order to sell property in Akron, appraised at \$1,000.

Children Especially Liable.

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps, because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for rashes. "De Witt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she could not go to five dresses a day."

Sterilized Milk vs. Babies.

Health Officer Friedrich made the statement yesterday that sterilized milk was not a good food for babies and that it led to a disease known as "rickets," something akin to scurvy. He declared that it was much safer to feed the babies unpasteurized milk; and that the sterilized milk instead of being a safe-guard, was a danger. He asserted that the sterilization of milk made it indigestible. (From Cleveland Sunday Leader.)

POLICE MAN REILLY

Rescues a Connecticut Woman From Horrible Torture.

Mrs. William Cotter, of Hartford, the Victim, Tells the Story In an Interview—A Terrible Experience.

"It was horrible," said Mrs. Cotter, "I almost wished for death to relieve me. But help came in time and I am very grateful."

"Tell you the story? Yes, indeed, I never grow tired of telling it. Several years ago I was taken with neuralgia and suffered untold misery. I tried a great many doctors and several remedies with the result that I found temporary relief but I was not cured and began to fear that I never would be."

"Then Policeman Reilly, who is a neighbor of ours, recommended that I try Dr. Williams' Pink Pills for Pale People and I did so. I thought that the first box gave me some relief, and my husband insisted that I keep on taking them. I did and I can truly say that these pills are the only medicine that ever permanently benefited me."

"I used to have to give up entirely and lie down when the pain came on. My face would swell up so that my eyes would close. The pills cured all this and I have had no return of it for the last three years. I keep the pills constantly on hand as I believe they are a wonderful household remedy."

"To Dr. Williams' Pink Pills for Pale People I owe all the comfort I have enjoyed for the past three years in being free from neuralgia and I am glad to be able to recommend them."

Many who are now tortured with neuralgia will read with interest the above statement which is beyond doubt, as it was given over the signature of Mrs. William Cotter, whose husband has been Democratic Register of Elections in Hartford, Conn., for over ten years, and who is well known throughout the state.

Mrs. Cotter who lives at No. 42 Windsor street, Hartford, is the mother of a happy family, and is now enjoying excellent health.

Dr. Williams' Pink Pills for Pale People will not only cure cases similar to that of Mrs. Cotter but, containing as they do, all the elements necessary to give new life and richness to the blood and restore shattered nerves, they have proved efficacious in a wide range of diseases. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' Dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of grip, of fevers and of other acute diseases, palpitation of the heart, pale and sallow complexions and all forms of weakness, either in male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price, 50c a box; six boxes, two dollars and fifty cents, by addressing Dr. Williams Medicine Co., Schenectady, N. Y.

WATER

Is the Secret of Long Life.

An Eminent Doctor Declares His Faith in It.

Chicago, Feb. 8.—Old men are to disappear, the ravages of time are to cease, and when full development is reached people may remain at that stage and live forever, according to Dr. S. Marcus Rothschild.

"Old age is nothing but a disease," he said today. "A man can live just as long as he wants to. He has the matter in his own hands, but he must live a natural life."

The remedy is simple, although it would be apt to shock a Kentucky Colonel.

Water is the secret. Both inside and outside use, for the pores must be opened and poison removed from the system.

Although the doctor is a Jew, he is a believer in Jesus Christ.

"The smartest man that ever lived was Christ," he says. "Christ was the first water doctor in the world. Father Knapp got his remedy from the Bible, for it is written 'go and wash seven times in the Jordan and thy flesh shall recover health and thou shalt be clean.'"

The doctor says all a man has to do to live to be 100 is to use plenty of water and live a correct life.

"WAKE UP!"

Says Judge Anderson.

Believes the Canal Matter Requires Prompt Action.

"If our citizens don't wake up we'll be beaten out of our rights in the canal," remarked Judge Anderson Friday. "If they would exhaust some of the energy they are devoting to projects to erect club rooms and organize associations on the measure to protect our water rights I am sure the result would well repay their labors."

"When the Councilmen and Commissioners got to Columbus and saw how very important this matter is, they at once became enthusiastic over it. Every citizen should take an interest in the matter, and do all he can to keep the canal from going into the hands of private corporations, in case it is abandoned."

Judge Anderson seemed satisfied with his trip to Columbus, in connection with the bill to protect Akron's water rights. He said that the proposed bill to turn the state property in the vicinity of the lakes into a park was merely a scheme to head off the movement to guarantee Akron's rights protection from private corporations.

A Thousand Dollars Thrown Away

Mr. W. W. Baker, of Plainville, Neb., writes: "My wife had lung trouble for over 15 years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy, it saved her life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it."

Karl's Clover Root Tea corrects the Stomach

An Ideal Medicine.

A New Discovery Which Cures All Forms of Catarrh.

The tablet is the ideal form in which to administer medicine, but until recently no successful catarrh tablets had ever been attempted. There is now, however, an excellent and palatable remedy for catarrh in tablet form known as Stuart's Catarrh Tablets and sold by druggists, composed of the most recent discoveries

in medicine for cure of catarrh and results from their use have been highly gratifying.

The old time treatment of catarrh was in the form of inhalers, washes, douches, sprays, etc. Later on internal remedies were used with greater success, but being in liquid or powder form were inconvenient to use and like all medicines in liquid or powder form, lose their medicinal properties when opened or exposed to the air.

Stuart's Catarrh Tablets contain highly concentrated antiseptics, Red Gum, Blood Root, etc., which kill the catarrh germs in the blood and mucous membrane, and in this respect are strictly scientific and modern, because all authorities are now agreed that catarrh is a constitutional blood disease, and local applications can have only a transitory effect.

The use of inhalers, douches and sprays is a nuisance and inconvenience and can in no wise compare favorably with the same antiseptics given in tablet form internally, where they can reach the stomach and blood and kill catarrh germs right where they are produced.

A prominent lawyer and public speaker of Pittsburg, says: "I have been troubled with catarrh of the head and throat for twelve years. In this climate it seems impossible to get rid of it. The continual dropping of mucus from the nose into the throat caused irritation and hoarseness, seriously interfering with my public speaking. It took me an hour or more of coughing, gagging, expectorating and sneezing every morning before I could settle down to work and this condition gradually brought on catarrh of stomach, causing loss of appetite, poor digestion and a foul breath which annoyed me exceedingly. My physician advised me to try Stuart's Catarrh Tablets and I took them for two months and was astonished to find how quickly they cleared my head, throat and stomach and I have no hesitation in recommending them. They are not only pleasant to take, but they seem to get at the very root of the trouble, because since using them I have had no trace of catarrh."

Druggists sell Stuart's Catarrh Tablets at 50 cents for full sized packages.

They can be carried in the pocket and used any time and as often as desired since they contain no cocaine, mercury or any other injurious drug.
